

## HARMONY MEETING

MUCH DISCUSSION LAST NIGHT, BUT LITTLE PROGRESS MADE

The meeting called for last night in the council chamber to consider the report of a joint committee of five from the Chamber of Commerce and the Greater Glendale Development Association to formulate tentative plans for the organization of a new commercial body for the city, combining the two present organizations, was not largely attended. Lee Thomas presided as chairman and Roy L. Kent acted as secretary. The committee's report, embodying recommendations as to adopting the name "Commercial Club of Glendale," fixing the initiation fee of the new body at \$10 and the dues at \$10 a year, payable semi-annually in advance, location of headquarters, appointment of committees, etc., was read, and then, on motion, it was decided to consider the report item by item. The discussion on the name lasted over an hour and many lengthy speeches were made. Finally a motion to reject the committee's recommendation and adopt the name "Chamber of Commerce," was made and carried. A discussion then followed on the initiation fee and dues and strong objections were made, some thinking no fee and no dues would be better than such sums but finally this measure was approved, also. Then the question of a temporary secretary was brought up and it was decided to leave this to the committee of five to thresh out. By this time it was 10:30 and the meeting adjourned. An informal meeting of old Chamber of Commerce members present was held immediately afterward to consider the action of the meeting just closed and it was decided to call a meeting for next Wednesday night to consider approving or rejecting the recommendations which had just been voted.

Magan from the White Memorial, and Dr. Julia A. White and Dr. H. G. Westphal of the Glendale Sanitarium.

## DEATH OF MRS. WATERWORTH

Mrs. Mary Waterworth of Pasadena passed away in Glendale July 20th at the age of 79 years. She was a native of Ontario, Canada. Funeral services will be held this afternoon at the Little Church of the Flowers in Forest Lawn Memorial Park, the L. G. Scovern Company in charge.

## BUYS FINE HOME

GEO. F. GALLAGHER OF SAN JOSE AND ARIZONA LOCATES IN GLENDALE

The Gilb place, a beautiful, large, new bungalow on a highly improved lot at 308 North Louise street, was recently sold through the J. F. Stanford agency to Geo. F. Gallagher, of San Jose, who had been staying at the Glendale Sanitarium for his health for some weeks and liked the city so well that he wished to bring his wife and son here. He could find no suitable place to rent so concluded to buy this fine home, paying \$15,200 cash for it. The family are now occupying it and are more and more satisfied with their new home city every day.

Mr. Gallagher owns a large ranch near San Jose and also 1400 acres near Casa Grande in Arizona. Only 400 acres of this latter are under cultivation as well water has to be depended on for irrigation. He has a well on the place that runs 2500 gallons a minute. The ranch is in one of the new reclamation districts and when the dam and irrigation works are put in will all be under cultivation. Cotton and Thompson seedless grapes are the two crops raised now and both these have been very profitable the past two years.

## PILGRIMAGE PLAY

MR. AND MRS. BRALY SEE SCREEN DELINEATION OF CHRIST'S LIFE

Mr. and Mrs. J. H. Braly were privileged to attend the Pilgrimage or Passion Play given in the El Camino Real amphitheatre at Hollywood. The play began at 8 in the evening and lasted until eleven. Mrs. Braly pronounced the drama a wonderful delineation of the life of Christ from the cradle to the ascension. It was very realistically arranged, having been staged in the canyon which is really a part of Griffith Park. The actors, the scenery, costumes and lights which made up the setting, produced a profound sense of awe and wonder on the part of spectators. There were fourteen scenes in all.

Nancy Caswell, of Los Angeles, who impersonated the first child who came to Jesus, acted her part in true child fashion, clinging to the Savior as she received the blessing. The actor who represented Christ was Reginald Poel and the impersonation was faultlessly real. As the parting message was given to the disciples, "Fear not, I am the first and the last and am alive forever more," the scene brought a sense of peace, security and harmony to the onlooker.

The entire production, Mrs. Braly declared, could not but turn the thought of all to Jesus, and inspire a life of service. It has taken a long time to prepare for the giving of this play, but it is surely destined to make California famous, as visitors will come from far and near to witness it.

Oberammergau, Bavaria, was made famous by the origination of the open air production of the Passion Play, previous to the war, and the Hollywood amphitheatre was patterned after the plan of Oberammergau though much of the data was destroyed.

A fine Venetian organ was an added attraction to the many wonders embodied in the production.

## HORSESHOE LORE

PITCHING GAME POPULAR ALL OVER COUNTRY — MANY THOUSAND YEARS OLD

When one walks or rides by the Glendale Horseshoe Club's grounds at Broadway and Orange and sees several men, mostly elderly citizens, pitching horseshoes, it seems like child's play and few realize that this sport is as national in its scope as baseball. Nearly every state in the union has its champion and hundreds of cities, large and small, also. Geo. Mays, the national champion, is only 29 years old. Fred Burst, ex-champion, is but 35, while Hughie Palmer, the American Industrial champion, is 73. Mays had won the Ohio state championship and the national title before he had pitched two years. Pennsylvania's champion is a millionaire. California's title holder lives in Fresno. Local players are greatly interested in the national tournament of the United States and Canada, which is to be held in Akron, Ohio, August 12th, 13th and 14th, at which many contestants will be entered from this state. One Long Beach player is listed for some of the events.

It may interest Glendale people to know that horseshoes used by nearly all the clubs of Southern California are made by a blacksmith of this city, A. H. Fuelscher. He makes them to order in all weights from 2½ to 4 pounds. The latter size is used by the Glendale players, but it is thought to be too heavy for some of the older men. The national association recommends the 2½-pound size and an effort is being made to have it used here.

The game of quoits, as it was called many years ago, dates back to ancient Greece. Socrates, Euripides, and many of their time as well as earlier and later indulged in this athletic sport. A more recent name is "Barnyard Golf" and it is frequently played with real horses' shoes. As the stakes are set only 40 feet apart and the space used need be only a few feet in width, a rousing game can be had most anywhere.

## SECOND OPERATION

Mrs. H. C. Nicolaus of 337 West Wilson avenue, who was operated on several months ago for acute appendicitis, has been compelled to undergo another operation for a different ailment and is now in the Glendale Sanitarium Hospital for that purpose.

RECRUITS RELIEVE FIGHTERS WHO ARE BATTLING FIRE IN SAN BERNARDINO MOUNTAINS

(Special Service to Glendale Evening News)  
RIVERSIDE, July 21.—Reinforcements are being sent to relieve the fire fighters in Palm Canyon where between 350 and 400 men are battling the flames in relays in an effort to save the natural palms. The fire has burned over about thirty miles and there are fears that it may reach the famous Idylwild resort at the top of San Jacinto mountain.

## MAY RAISE PASSENGER FARES

## SHAMROCK LEADS IN THIRD RACE

BRITISH CHALLENGER HAS GOOD LEAD AT BEGINNING OF RACE WITH RESOLUTE TODAY

(Special Service to Glendale Evening News)  
ABOARD U. S. DESTROYER GOLDSBOROUGH, (Via Wireless to the United Press.)—July 21.—The third and possibly the deciding race of the series for America's cup began today at 1 p. m. when the Shamrock crossed the line slightly ahead of the Resolute. The official starting time was, Shamrock 1:00:22; Resolute 1:00:41. A half hour after the race began the Shamrock was at least an eighth of a mile to the good, and appeared to be gaining rapidly. At 1:45 the Shamrock was well ahead.

Should the Shamrock win today's race America's cup will return to England for the first time since 1851.

## GIBSON GETS DEATH SENTENCE

NEGRO MURDERER OF ROY TRAPP SENTENCED TO HANG AT SAN QUENTIN SEPTEMBER 24

(Special Service to Glendale Evening News)  
SANTA ANA, July 21.—Mose Gibson, murderer of Roy Trapp, Fullerton rancher, was sentenced this morning to hang at San Quentin prison on September 24, following his plea of guilty of first degree murder.

Gibson was brought here from Los Angeles early this morning for his preliminary hearing. He waived examination and was taken before Superior Judge R. Y. Williams when he plead guilty. The entire proceedings were kept secret and Gibson was returned to Los Angeles county before more than a dozen persons in Orange county knew that he had been brought here. It was feared an attempt would be made to lynch the murderer. Gibson will be taken to San Quentin prison tonight, officers stated.

## WEEK OF SURPRISES

GRANDMA SCOTT CELEBRATES 84TH BIRTHDAY WITH MANY SOCIAL EVENTS

Mrs. S. H. Scott of 928 South Central avenue, who celebrated her 84th birthday Monday is enjoying a week of sociability and surprises. Monday, the first surprise occurred when at 2:30 in the afternoon, eleven ladies of the Robert E. Lee Chapter of the United Daughters of the Confederacy, appeared at the door, their arms full of packages which later were found to contain refreshments and gifts for Mrs. Scott.

While the visiting ladies, who were all personal friends of Mrs. Scott, are of advanced years, Mrs. Scott carried off the honors in the matter of age, being not only the oldest member present but also the oldest daughter in Los Angeles county.

The Women's Christian Temperance Union next took a hand in the social chain and on Tuesday, twenty-seven members came over from Inglewood. These visitors also brought refreshments and gifts for the guest of honor. There were cut glass pieces, books, cards, fruit and flowers among the presents, all of which are highly prized by Mrs. Scott.

The afternoon's program constituted a business meeting of the Union and reports of the Long Beach convention were given by Mrs. Cline, who was a delegate from Inglewood. This was the regular yearly meeting of the Inglewood Union. The new president, Mrs. M. Yoeman, gave a talk on different phases of the work.

After partaking of the ample lunch, the remainder of the afternoon was spent in social exchange.

Not to let any time go to waste, fourteen Glendale friends came in Tuesday night and enjoyed a social time. There were several readings given by Mr. Griffin, and Mrs. Lila Shea and Irene Mock entertained (Continued on Page 4)

## ESCAPED PARROT RECAPTURED

To show how universally Evening News ads are read, Mrs. J. K. Hill of 420 North Kenwood advertised the loss of her parrot, Monday, it having escaped from its cage the day before. Every boy in the north end seems to have read the ad for they joined in the hunt Monday evening and kept it up all day yesterday. The parrot was heard occasionally in the tree tops but could not be run down. But finally this morning, early, Mrs. Hill heard him calling from a tree near her home and managed, with the help of a neighbor lady, to recapture him. The parrot is two years old and already quite a talker.

## DAINTY LUNCHEON

Mrs. Charles Glover of 416 Myrtle street entertained in honor of her house guest, Mrs. Ada Welker of Thermal, Cal., with a luncheon Tuesday afternoon. It was in the way of an announcement of Mrs. Welker's marriage, next week, to Albert L. Shippley, a business man of Los Angeles. The dainty luncheon was served cafeteria style. The entire color scheme was beautifully carried out in pink and white, roses and Shasta daisies being effectively used. Mrs. Welker has visited Mrs. Glover frequently and has many friends in Glendale who wish her every happiness. The guests were Mrs. Frank Peters, Mrs. N. Seamon, Mrs. Arthur Muhleman, Mrs. Frank Muhleman, Mrs. G. D. Roach, Mrs. Frank Hester, Mrs. Charles Freshman of Los Angeles, Mrs. Herbert Reed of Long Beach, Mrs. W. Nash, Mrs. W. Gibson, Miss Clara Ringert, Mrs. Lee Clotworthy, Mrs. Walter Sperry of Los Angeles, Mrs. Charles Sanders, the hostess, Mrs. Glover, and the honoree, Mrs. Ada Welker.

## J. F. STANFORD IN NEW LOCATION

J. F. Stanford has moved into his new location at 112½ So. Brand and will now concentrate all his efforts in the real estate and building line in Glendale, he having abandoned his city office, believing that Glendale offers by far the best field for both lines of activity in all California. For 10 years Mr. Stanford has built beautiful homes in Glendale and there are scores of these dotted about our city. He is especially pleased with the outlook since he moved into his new location and his listings combine some of the finest homes and best bargains in Glendale. Two new homes have been started by him for customers already this week. The advertising columns of the Evening News will speak largely of him from now on, he promises.

## MRS. A. M. HUNT HURT BY MOTORCYCLE

Mrs. A. M. Hunt of 1201 Viola avenue was struck by a motorcycle as she started across Brand from in front of the cafeteria Saturday evening, and knocked down. She was very badly bruised and is still confined to her bed most of the time, though she is slowly recovering. The rider of the motorcycle was very much concerned over the accident and made many apologies, besides calling to see Mrs. Hunt at her home to inquire about her condition.

## D. V. B. SCHOOL

SECOND TERM BEGAN THIS WEEK WITH A LARGE ATTENDANCE

With over two hundred enrollment the last term of the Daily Vacation Bible School began on Monday of this week. New scholars are entering daily in order to get the benefit of these last two weeks. The school closes on July 30th. The quality of the school has been first-class in every department. The senior boys have started basket weaving in their craft work. Some difficulty has been experienced in obtaining sufficient reed for the needs of the school. The boys are very enthusiastic over the craft work and have turned out good workmanship. Regular commencement exercises will end the second term and rewards and honors be given in the different departments. The Bible verse memory work and the singing are the children's delight and come second only to the Bible stories given each day. Parents are welcome to send their children for the remainder of the term and give them the advantages of the school.

Miss Fife will return to Glendale Friday though the Fuelschers may remain longer.

It is best for the Farmer-Labor party and for the country that the organization is in the hands of the farmers and laborers. There will be less misunderstanding of the issues presented. The farmers and laborers will set forth their demands without restraint from the intellectuals who believe they know better what to ask than the farmers and laborers.

Frank E. Little and his two young children, a son and a daughter, came to Los Angeles a few weeks ago from Baldsville, near Syracuse, N. Y., with a view to locating. They visited several suburban cities, but Glendale suited them by far the best, so they bought the Morris place at 650 North Maryland avenue, through the J. F. Stanford real estate agency, and moved in at once.

D. B. Keers and wife are now occupying the beautiful new home built for them by W. G. Boyd under the direction of W. J. Clendenin, an old friend, at 128 South Kenwood street. They came to Glendale from Portland, Oregon, where they had lived for five years, locating there soon after coming to this country from Ireland where he was manager of the Belfast bank. He had been connected with bank work for 51½ years. Mr. and Mrs. Keers are delighted with their new home and think Glendale is an ideal place in which to live.

## "The United States in Prophecy"

Hear this Thrilling Subject!

Mrs. Geo. H. Gibson and two sons of St. Louis, Mo., who have been spending a month in Glendale and other California cities, will start for home tonight.

The meetings in the gospel tent at the corner of Central avenue and Harvard are still continuing. Tonight the evangelist will consider "The United States in Prophecy."

Mrs. S. C. Davis and daughter Edna of Topeka, Kansas, are visiting Mr. and Mrs. F. A. Davis of 225 South Central avenue. Mrs. Davis and daughter expect to spend about a month in Glendale. They have received word of floods in Kansas and feel that Southern California weather is to be preferred, the earthquakes being merely an added thrill to which no charge is attached.

Mrs. Sarah Alexander of 824 East Acacia avenue is learning to drive a brand new Cleveland Six, recently purchased. Mrs. Alexander lay at the point of death for weeks last winter and during this illness her husband, J. P. Alexander, passed away. She has been slowly recovering health and strength since and the new car will aid in this by giving her many opportunities to be out in the open air.

Mrs. Kara Smart Root, probation officer of the Juvenile Court of Los Angeles, left on the Owl last Friday evening to take a young lady, a state ward, back to her home in Georgia. Mrs. Root, who was appointed by the court for this responsible duty, is also commissioned to visit on her return trip the detention homes and juvenile courts of New York, Baltimore, Washington, D. C., Chicago, Denver and other large cities. Mrs. Root expects to be gone several weeks. Another young lady returning to her friends in Iowa accompanied Mrs. Root.

## CHRISTIAN SABBATH

W. N. BOTT PLEADS FOR GOSPEL PREACHING, NOT CONTROVERSY

Editor Glendale News:

In view of what has been published lately in your paper about Sabbath keeping, will you permit me to say a few things on that subject? Not with a purpose to stir up controversy. God forbid. Those days are past when people calling themselves Christians hurl themselves at one another's throats with heated arguments over non-essentials. The great church of Jesus Christ is moving forward with less friction and more harmony than ever before and consequently is doing more effectual work.

Paul said in Rom. 14:5: "One man esteemeth one day above another; another esteemeth every day alike. Let every man be fully persuaded in his own mind."

It was fitting that the early Christians should observe the glad resurrection day, the Lord's Day.

It is quite true that Constantine made the first law regarding the Christian Sabbath, but it was to change the pagan Sabbath, which was observed every eighth day to a general observance of the Christian Sabbath which had been kept by the disciples, according to Ignatius, from the resurrection.

If it be true that the Scriptures say nothing about keeping Sunday it is equally true that they say nothing about keeping Saturday. In fact, the Levitical Sabbath changed to different days of the week for the first day of the first month of every year was the Sabbath day. Lev. 23:7. If every month of the year had just 28 days then the Sabbath would always be on the same day, but every month in the Jewish calendar had 30 days. It is therefore true that keeping of any one day is non-essential. If the majority kept Sunday we all, for the sake of harmony, ought to keep that day and the same might be said of Saturday or any other day of the week. Harmony among the followers of the Lord is worth a thousand times more than the keeping of any one day sacred. By promoting harmony among the disciples of the Great Teacher we help to answer His prayer found in the 17th chapter of John.

I therefore entreat every one who has the ability to preach to leave the non-essentials till the time when there is no whitening harvest. Let every preacher take on a holy enthusiasm for the glorious gospel, that restless, dying humanity now needs more than anything else, and let him preach as though each time were his last opportunity to point men to the matchless privileges that are theirs.

W. N. BOTT.

## BIG TRUCK KNOCKS DOWN LAMP POST

One of the L. A. Creamery Co.'s big ice cream trucks was coming north on Brand boulevard at 6:10 this morning when in some manner the driver lost control of his truck and ran it up over the curb, knocking flat one of the iron lamp posts and breaking globe and shade. The truck finally stopped in the soft ground beyond the sidewalk. The accident was witnessed by a man living close by, but before he could get to the scene to take the truck number the driver had backed up and sped away. The police are investigating the matter and the city will demand payment for the destruction wrought.

## SURPRISE PARTY

Mr. and Mrs. John Weger of 810 South Glendale avenue were delightfully surprised when friends and relatives appeared at their home Tuesday evening with beautiful gifts in honor of their birthdays which fall on July 20th and 21st. A very pleasant evening was spent, dainty refreshments being served. The guests were Mr. and Mrs. Henry Weger and daughter, Grace McCombe, Edward Charnley of Los Angeles, Mr. and Mrs. Claud Blanchard and Mr. and Mrs. Henry Weger and son.

It is asserted now that men have become bargain hunters. So there really is a H. C. L.?

## Get In Touch With Success

A scientist is considering the possibility of sending a rocket to Mars. It sounds wild but let's not laugh.

Columbus was jeered as a fool when he said the earth was round. The Wright Brothers were thought to be crazy because they thought they could fly like birds. Some one's always ready to hoot, "Impossible."

But somebody's always doing the things that "can't be done."

Why don't you try it? You think you can't get ahead but you can if you try. Open an account at this bank, put faith, work and thrift behind your account and watch results.

We'll be glad to help you get in touch with success.

## WEEK OF SURPRISES

Continued from Page 1)  
with piano and vocal selections. But the best number of all came when Grandma Scott took her seat at the piano and very sweetly rendered several old-time waltzes and other selections.

Mrs. Scott kindly gave a bit of her personal history in answer to questions from the Evening News reporter. Mrs. Scott was born in Wytheville, Virginia, in 1836, but was brought up in Sumter county, Alabama, afterwards living in Mobile, Alabama, going from there to Houston, Texas. California welcomed her twenty years ago, Inglewood being her home for 16 years and Glendale coming off with the last year.

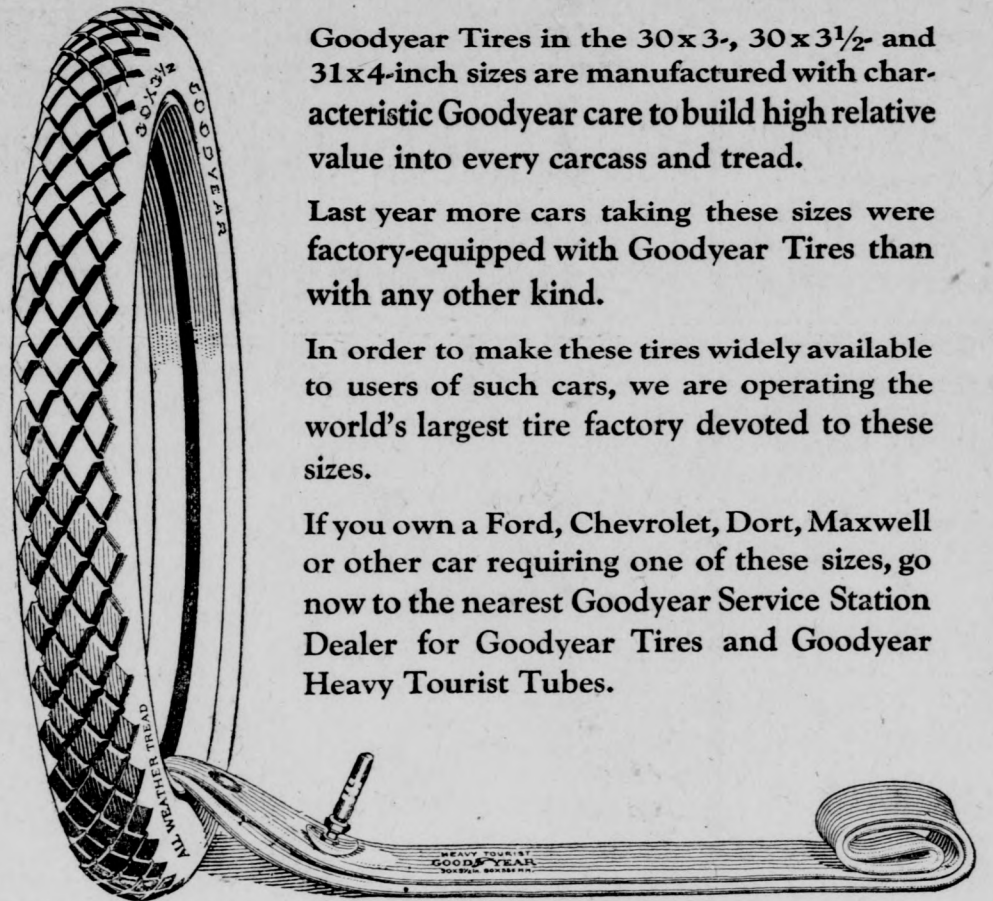

She was married in 1857 and four daughters were her crown of glory. Two are living with her at present in Glendale. There are five grandchildren and one great grandchild. The husband, who died forty years ago, was a merchant of Mobile, Ala.

Mrs. Blanche Shea, one of the resident daughters, teaches in Los Angeles, while Miss Mamie Scott cares for her mother.

Asked as to prices during the Civil War, Mrs. Scott said sugar was neither scarce nor high, but flour sold for \$22.00 per barrel, calico fifty to seventy-five cents a yard and a pint can of fruit about sixty-five cents.

Miss Laura Keppler, a friend from Maryland, is visiting the Scotts at present.

## Equip Your Small Car With Goodyear Tires

Goodyear Tires in the 30x3-, 30x3½- and 31x4-inch sizes are manufactured with characteristic Goodyear care to build high relative value into every carcass and tread.

Last year more cars taking these sizes were factory-equipped with Goodyear Tires than with any other kind.

In order to make these tires widely available to users of such cars, we are operating the world's largest tire factory devoted to these sizes.

If you own a Ford, Chevrolet, Dort, Maxwell or other car requiring one of these sizes, go now to the nearest Goodyear Service Station Dealer for Goodyear Tires and Goodyear Heavy Tourist Tubes.

30 x 3½ Goodyear Double-Cure Fabric, All-Weather Tread \$23<sup>50</sup>

30 x 3½ Goodyear Single-Cure Fabric, Anti-Skid Tread \$21<sup>50</sup>

Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly casings when such sure protection is available? 30 x 3½ size in waterproof bag \$4<sup>50</sup>
